Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

This permit is transferred in full from Viridis 178 Limited to Conrad (Sudmeadow) Limited. The site name has been changed from Viridis 178 Gloucester Power Plant, to Gloucester Power Plant.

We consider that in reaching our decision to transfer the permit we have taken into account all relevant considerations and legal requirements.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
