Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation is to vary a bespoke permit into a standard rules permit. The standard rules permit is SR2008No3_75kte and allows the deposit and transfer of waste with treatment consisting of manual sorting, separation, screening, baling, shredding, crushing or compaction.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
