Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation of an environmental permit.

Operator has applied for a variation to amend permit limits.

The Schedules specify the changes made to the original permit. A varied and consolidated environmental permit, reflecting the changes made to the permit, has been issued.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status Log of the permit
