Good afternoon [REDACTED]

Thank you for the update and waste assessment report you sent through.

Please find attached the CAR form relating to the site inspection we conducted on 12 June 2026.

Please review the general information in Section 6 of the Compliance Assessment Report in full. If you have any issues with the CAR form you must raise them within 14 days of receipt by contacting the regulatory officer and the NE-Compliance mailbox (CC'd), further details are available at <https://www.gov.uk/guidance/appeal-a-regulatory-decision-from-the-environment-agency>. If no responses are received within 28 days of receipt, the report will be made available to the public register. For any other queries please contact your regulatory officer direct.

We should be ok to come to the site on either 6 or 7 July to check the compliance of the Reg. 36 Notice and I will let you know on Monday (29 June).

If you require any further information, please feel free to get in touch.

Kind regards

Chris
