Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation is to increase the storage limit of asbestos from 9.8 tonnes to 20 tonnes.

This variation also deletes Conditions 1.2.2, 1.2.3, Table 1.2A and Table 1.2B and replaces with Table 1.2.

No changes to the types of waste accepted or other restrictions are proposed.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
