Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation is to extend the current permitted boundary beyond the limits of the existing waste transfer building to include; a smaller adjacent building for the storage of mixed waste prior to processing and the external yard area for the storage of segregated recyclables only.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number. .
