YEALMPTON

Permit number 300436/FN/01

Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation deletes the condition for pH from the permit, as applied for by the operator.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit		
Description	**Date**	**Comments**
Application received 300436/FN/01/V001	Duly made 27/04/11	Application to delete pH condition.
Variation determined	07/07/11	

End of introductory note
