Date: 12/09/2023

Dear The Occupier

Former environmental permit number 221/0990

Percy Northern Estates Limited held an environmental permit for the water discharge activity at The Apple Inn Caravan Park. We have received notification that the company dissolved on **10/03/2021**. As the company has dissolved, the environmental permit ceased to exist from that date.

Any outstanding subsistence charges up to the effective date are still payable. If you're entitled to a refund of subsistence charges our Finance department will arrange this.

If the water discharge activity is still occurring then you will need to apply for a new environmental permit. You can find the application form and guidance about how to apply on GOV.UK at

www.gov.uk/guidance/discharges-to-surface-water-and-groundwater-environmental-permits

If you have any questions about this please email PSC-WaterQuality@environment-agency.gov.uk or phone 03708 506 506.

Yours sincerely,

Adam Jenkins
