OUTGOING-1

LETTER-2

2

ENVIRONMENT AGENCY

ENVIRONMENTAL PROTECTION ACT 199O PART II, SECTION 37

NOTICE OF MODIFICATION OF WASTE MANAGEMENT LICENCE CONDITIONS

To **E. Hooper & Sons,**
Penhale,
Fraddon,
St. Columb,
Cornwall
TR9 6NA

WHEREAS On the 17th July 1990 Cornwall County Council, as the former Waste Regulation Authority for the County of Cornwall (but now the Environment Agency), granted a Waste Disposal Licence to E. Hooper & Sons in respect of a site at:-

Chyverton Mine Landfill Site
West Chyverton Mines
Zelah
Cornwall

Grid Reference SW 793 508

and,

WHEREAS The Environment Agency having taken over the role of the Waste Regulation Authority (being empowered by Section 2 of Chapter 1 of the Environment Act 1995), duly considered an application by E. Hooper & Sons to modify the licence conditions,

NOTICE IS HEREBY GIVEN that the Environment Agency, hereby MODIFIES the licence (now a Waste Management Licence) conditions as follows:

Condition 1.2.1 shall now read as indicated on the attached sheet.

In all other respects the licence remains unchanged and applies in full as described in the original licence document.

Dated 9th December 1996 Signed

Brian Sinkins
Acting Area Manager Cornwall

Environment Agency,
Sir John Moore House,
Victoria Square,
Bodmin,
Cornwall,
PL31 1EB.

The person served with this notice may appeal against the Agency's decision to the Secretary of State within six months or such longer period as the Secretary of State may allow (see overleaf).

ENVIRONMENTAL PROTECTION ACT 1990.
APPEALS CONCERNING MODIFICATIONS APPLIED TO A LICENCE

If an applicant or licence holder is aggrieved by the decision of the Waste Regulation Authority in modifying conditions specified in a disposal licence he may appeal to the Secretary of State in accordance with Section 43 of the Environmental Protection Act 1990. Appeals must be notified within six months of the date of this notice to the Secretary of State, Department of the Environment, Waste Disposal Division, Queen Anne's Chambers, 28 Broadway, LONDON SW1H 9JU. The Secretary of State has power to allow a longer period for the giving of notice of an appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of an appeal.

Where a notice giving the Authority's decision to modify a licence includes a statement that the modification was necessary for the purpose of preventing pollution of water or danger to public health, Section 43(4) of the Environmental Protection Act 1990 should not apply to the decision. The notification of an appeal against the decision will not of itself render the decision ineffective pending determination of the appeal. If you consider that such a statement has been unreasonably included in the notice of decision you may apply, under Section 43(7) of the Environmental Protection Act, to the Secretary of State to determine whether the Authority has acted unreasonably.

The required forms for the submission of an appeal may be obtained from the address given above.

Environment Agency,
Sir John Moore House,
Victoria Square,
Bodmin,
Cornwall,
PL31 1EB.

Chyverton Mine Landfill Site, Licence No. 2/78
Licence Modification, 9th December 1996

1. TYPES AND QUANTITIES OF WASTE

1.1 Types of Waste

1.1.1 The site shall be licensed to receive the following types of waste only.
Such wastes as are produced in the course of constructing, improving, repairing or demolishing any building or structure, but only such waste listed as:

Solid waste	Category A
Solid waste	Category B
Asbestos waste	Category E

and included in Schedule one

1.2 Quantities of waste

1.2.1 No receipt or deposit of waste shall take place at the site which would exceed the total quantity of all waste from any category given below:

less than 25,000 tonnes per annum

1.2.2 The quantities of waste in Categories B and E shall not exceed 10 % of the total.

1.3 Use of site

1.3.1 The use of the site shall be restricted to the applicant, his employees and other such persons under his direct control.
