Variation notice with introductory note

The Environmental Permitting (England & Wales) Regulations
2010

Monier Limited

Redland Plant
Broadway Lane
South Cerney
Cirencester
GL7 5UH

Variation notice number
WR0142N001

Permit number
WR0142

Redland Plant
Permit number WR0142

Introductory note

This introductory note does not form a part of the permit

The following notice, which is issued pursuant to regulation 20 and Part 1 of Schedule 5 of the Environmental Permitting (England and Wales) Regulations 2010 S.I. 2010 No. 675 (the Regulations), gives notice of the variation of an environmental permit to operate a regulated facility.

This variation is to alter the pH limit on the consent from 6.5 – 9 to 6.5 – 9.5 and to increase the volume from 288 cubic meters a day to 300 cubic metres a day.

Schedule 1 of this notice lists any deleted conditions, Schedule 2 lists any amended conditions, Schedule 3 lists any conditions that have been added and Schedule 4 shows any changes to the plan.
The status log of a permit sets out the permitting history, including any changes to the permit reference number.
