Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation is to add the following waste codes to the list of accepted wastes:

17 09 04 - Mixed construction and demolition wastes other than those mentioned in

17 09 01, 17 09 02, 17 09 03 and

17 08 02 - Gypsum-based construction materials other than those mentioned in 17 08 01.

The schedules specify the changes made to the original permit.

We consider that in reaching our decision to vary the permit we have taken into account all relevant considerations and legal requirements and that the permit will ensure at least an equivalent level of protection to human health and the quality of the environment.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
