Introductory note

This introductory note does not form a part of the notice.

The following gives notice of the variation of your environmental permit.

The Permit has been varied to ensure compliance with the relevant requirements of the Landfill Directive (1999/33/EC), article 13, during the aftercare phase. This notice removes your right to accept any more waste for disposal.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
