Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

Essentially all Senior Management and Technical Staff from the Site are transferring to the new Company. All operational procedures and systems are being maintained as is the Environmental Management System which is audited under the ISO 14001 regime.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit
