Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation of an environmental permit.

This is variation of a fixed condition licence to a Standard Rule Permit. The operator has accepted this variation, resulting from an Environment Agency initiative to help implement better regulation under the Environmental Permitting Regulations (England and Wales) 2010.

The Schedules specify the changes made to the original permit.

Schedule 1 of the notice lists any conditions that have been deleted, Schedule 2 of the notice lists any amended conditions and Schedule 3 of the notice lists any conditions that have been added. The site plan is attached in Schedule 4.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
