Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation allows the operator to bring on asphalt wastes containing coal tar for the purposes of treatment under a mobile plant deployment. The duration of the deployment is defined within the deployment application EPR/DP3391EU/W0001.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
