Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

The site is currently operating as a non-hazardous waste physical treatment facility. This variation is undertaken at the applicant's request and is to increase the annual throughput from 55,000 tonnes to 150,000 tonnes per annum. There are no changes to operations or activities currently taking place.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
