Introductory note

This introductory note does not form a part of the notice.

This introductory note does not form a part of the notice.

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

This application transfers the permit in full, from Environcom (North West) Limited to Enva E-Waste England Limited.

We consider that in reaching our decision to transfer and vary the permit we have taken into account all relevant considerations and legal requirements.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
