The NATIONAL RIVERS AUTHORITY in pursuance of its powers under the above Act HEREBY CONSENTS to the making of a discharge of SEWAGE EFFLUENT from premises at North Road, West Drove, Gedney Hill, Lincolnshire into a tributary of the South Holland Main Drain at National Grid Reference TF 3443 1281 in accordance with the application received on 9 April 1990, subject to the following conditions :-

1. The discharge shall consist solely of fully treated sewage effluent from a Klargester Biodisc Model B7 sewage treatment plant installed, operated and maintained in accordance with the manufacturer's instructions as updated from time to time.

2. The volume discharged under dry weather conditions shall not exceed 11 cubic metres in any period of 24 hours.

3. The discharge shall at no time contain any matter which will cause the receiving waters to be poisonous or injurious to fish, spawn of fish or food of fish.

4. The discharge shall contain no visible oil or grease.

5. The discharge shall be made through an outlet to the watercourse constructed and maintained so that a direct sample of the discharge may be readily obtained.

This consent will not be revoked nor will the conditions thereof be modified without the written agreement of the person making the discharge before the expiration of the period ending with the last day of June 1992.

NOTE

1. If you consider that any of the conditions subject to which this consent is granted, or that the period specified in the final paragraph of this consent, is unreasonable, you may, by virtue of paragraph 8(2) of Schedule 12 of the 1989 Act, appeal to the Secretary of State for the Environment.

2. The procedure for appealing is governed by the Control of Pollution (Consents for Discharges etc) (Secretary of State Functions) Regulations 1989 (1989 S. I. No. 1151), to which anyone wishing to appeal should refer. Notice of appeal, together with a statement of the grounds of appeal, must be given in writing to the Secretary of State within three months of notification of the Authority's decision.

3. Any contravention of the conditions subject to which this consent is granted is an offence under the Act and will render the discharger liable to prosecution by the Authority and by any other person.

4. This consent is in respect of water quality considerations only and does not relate to land drainage or other requirements. A consent under the Land Drainage Byelaws may also be required.

5. The granting of Consent under Schedule 12 of the Water Act 1989 does not give any right or permission to discharge to a watercourse where land is not owned by the holder of the Consent.
