Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

This application is to transfer the full permit from Premier Waste Management Limited to County Council of Durham. The management and operating staff of the site will remain unchanged.

Any changes made as a result of the transfer are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
