

CONTROL OF POLLUTION ACT 1974
Section 7

84/M3
0.001

Notice of Modification of Waste Disposal Licence Conditions
MOD 3

To James Cropper & Co Ltd

Burneside Paper Mills

Kendal

LA9 6PZ

OUTGOING

PERMIT

WHEREAS on 16 February
Licence by the* Cumbria County Council
relating to

Field Nos. 6144 & 8025
Burneside
subject to the conditions set out therein

1982 you were granted a Waste Disposal

~~[AND WHEREAS on
the said conditions to be modified]~~

~~19 you made application for~~

NOTICE is HEREBY GIVEN that the* Cumbria County Council
(hereafter called "the Authority") modifies the said conditions as follows:—

By the deletion of existing condition number 15, replacing it with the
attached condition number 15.

Such modification shall take effect on ‡ 21 December 1992 at 12 noon .

[IN the opinion of the Authority it is necessary for the purpose of preventing pollution of
water or danger to public health that Section 10 (2) of the Control of Pollution Act 1974 should
not apply.]†

DATED 18 DEC 1992

19

(Signed)

(Designation) Director of Highways and
transportation

(Address of Authority)

N.B.—The person served with this notice may appeal against the authority's decision to the Secretary of State within six months
or such longer period as the Secretary of State may allow. (See notes overleaf.)

[The person on whom this notice is served may also make application to the Secretary of State for a ruling as to whether the
Authority has acted reasonably in including the above statement as to the non-application of section 10 (2) of the Act. See
notes overleaf.]†

* Insert name of Authority, as appropriate.

‡ Insert date and time when modification takes effect.

† These paragraphs should be included if it is intended that the decision shall have effect even when an appeal is pending.

15 Record Keeping and Recording of Incoming Waste

- 15.1 A record shall be kept of the types and quantities of waste deposited on the site. The record shall give an accurate description of:
- 15.1.1 the person, firm or organisation delivering the waste to the site,
- 15.1.2 the registration number of each vehicle delivering waste to the site,
- 15.1.3 the source of arising of the waste,
- 15.1.4 the quantity, in cubic metres or tonnes, and detailed description of each individual load and its classification in accordance with the types of waste described in Condition 2 of this licence.
- 15.2 Upon receipt of a written request, and where deposits are restricted to limited sources of waste, or restricted numbers of vehicles depositing waste, the Waste Regulation Authority may agree a more limited form of record keeping. This shall be implemented only with written agreement from the Waste Regulation Authority.
- 15.3 The record made in accordance with condition 15.1 or 15.2 above shall be retained by the licence holder for two years and shall be made available for inspection by the Waste Regulation Authority on request.
- 15.4 A summary of the waste deposited at the site in each calendar month including a nil return in the event of no deposit shall be forwarded to the Waste Regulation Authority not later than the 14th day of the month following the month to which the summary relates.
- 15.4.1 The summary shall be submitted on Form WRA 1, provided by the Waste Regulation Authority and shall include the following information,
- 15.4.1.1 the quantity of each waste classified in accordance with the types of waste described in condition 2 of this licence,
- 15.4.1.2 the total quantity of waste deposited at the site during the month to which the summary relates,
- 15.5 A summary of the waste deposited at the site in each twelve month period between 1 April in any year and 31 March in the following year shall be forwarded to the Waste Regulation Authority no later than 30 days after the end of the twelve month period to which the summary relates.
- 15.5.1 The summary shall be submitted on Form WRA 2, provided by the Waste Regulation Authority and shall include the following information;
- 15.5.1.1 the quantity of each waste classified in accordance with the types of waste described in condition 2 of this licence,

15.5.1.2 the total quantity of waste deposited at the site during the period to which the summary relates.

15.5.1.3 the remaining licensed landfill capacity as at 31 March of the year to which the summary relates.

15.6 Copies of the yearly and monthly summaries shall be retained by the licence holder for two years from the date of submission to the Waste Regulation Authority.

Notice of Modification of Waste Disposal Licence Conditions

To James Cropper plc

Burneside Mills

Burneside

Kendal, Cumbria

WHEREAS on 29 July

1987 you were granted a Waste Disposal

[AND WHEREAS on
the said conditions to be modified]

~~19 you made application for~~

NOTICE is HEREBY GIVEN that the* Cumbria County Council
(hereafter called "the Authority") modifies the said conditions as follows:—

By the deletion of existing condition number 11, replacing it with the
attached condition number 11

Such modification shall take effect on † 21 December 1992

at 12 noon .

[IN the opinion of the Authority it is necessary for the purpose of preventing pollution of
water or danger to public health that Section 10 (2) of the Control of Pollution Act 1974 should
not apply.]†

DATED 18 DEC 1992

19 .

(Signed)

Hole.

(Designation) Director of Highways and
Transportation

(Address of Authority)

N.B.—The person served with this notice may appeal against the authority's decision to the Secretary of State within six months
or such longer period as the Secretary of State may allow. (See notes overleaf.)

[The person on whom this notice is served may also make application to the Secretary of State for a ruling as to whether the
Authority has acted reasonably in including the above statement as to the non-application of section 10 (2) of the Act. See
notes overleaf.]†

* Insert name of Authority, as appropriate.

† Insert date and time when modification takes effect.

† These paragraphs should be included if it is intended that the decision shall have effect even when an appeal is pending.

11 Record Keeping and Recording of Incoming Waste

- 11.1** A record shall be kept of the types and quantities of waste deposited on the site. The record shall give an accurate description of:
- 11.1.1** the person, firm or organisation delivering the waste to the site,
 - 11.1.2** the registration number of each vehicle delivering waste to the site,
 - 11.1.3** the source of arising of the waste,
 - 11.1.4** the quantity, in cubic metres or tonnes, and detailed description of each individual load and its classification in accordance with the types of waste described in Condition 2 of this licence.
- 11.2** Upon receipt of a written request, and where deposits are restricted to limited sources of waste, or restricted numbers of vehicles depositing waste, the Waste Regulation Authority may agree a more limited form of record keeping. This shall be implemented only with written agreement from the Waste Regulation Authority.
- 11.3** The record made in accordance with condition 11.1 or 11.2 above shall be retained by the licence holder for two years and shall be made available for inspection by the Waste Regulation Authority on request.
- 11.4** A summary of the waste deposited at the site in each calendar month including a nil return in the event of no deposit shall be forwarded to the Waste Regulation Authority not later than the 14th day of the month following the month to which the summary relates.
- 11.4.1** The summary shall be submitted on Form WRA 1, provided by the Waste Regulation Authority and shall include the following information,
 - 11.4.1.1** the quantity of each waste classified in accordance with the types of waste described in condition 2 of this licence,
 - 11.4.1.2** the total quantity of waste deposited at the site during the month to which the summary relates,
- 11.5** A summary of the waste deposited at the site in each twelve month period between 1 April in any year and 31 March in the following year shall be forwarded to the Waste Regulation Authority no later than 30 days after the end of the twelve month period to which the summary relates.
- 11.5.1** The summary shall be submitted on Form WRA 2, provided by the Waste Regulation Authority and shall include the following information;
 - 11.5.1.1** the quantity of each waste classified in accordance with the types of waste described in condition 2 of this licence,

11.5.1.2 the total quantity of waste deposited at the site during the period to which the summary relates.

11.5.1.3 the remaining licensed landfill capacity as at 31 March of the year to which the summary relates.

11.6 Copies of the yearly and monthly summaries shall be retained by the licence holder for two years from the date of submission to the Waste Regulation Authority.
