

# Notice of variation with introductory note

Environmental Permitting (England & Wales) Regulations 2010

---

Allstone Sands Gravels Aggregates  
Trading Company Limited

Allstone House  
Myers Road  
Gloucester  
Gloucestershire  
GL1 3QD

Variation application number  
EPR/TP3298CG/V002

Permit number  
EPR/TP3298CG

# **Allstone House**

## **Permit number EPR/TP3298CG**

### **Introductory note**

#### **This introductory note does not form a part of the notice**

The following notice gives notice of the variation of an environmental permit.

The activity of wood shredding was added to the licensed activities in table 2.1.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

End of introductory note

## Notice of variation

Environmental Permitting (England and Wales) Regulations 2010

The Environment Agency in exercise of its powers under regulation 20 of the Environmental Permitting (England and Wales) Regulations 2010 varies

**Permit number**  
**EPR/TP3298CG**

**issued to:**  
**Allstone Sands Gravels Aggregates Trading Company Limited** (“the operator”)

whose registered office is

**5 Pullman Court,  
Great Western Road  
Gloucester  
Gloucestershire  
GL1 3ND**

company registration number 1768403

to operate a regulated facility at

**Allstone House  
Myers Road  
Gloucester  
Gloucestershire  
GL1 3QD**

to the extent set out in the schedules.

The notice shall take effect from 06/11/2013

| Name                 | Date              |
|----------------------|-------------------|
| <b>Katie Harwood</b> | <b>06/11/2013</b> |

Authorised on behalf of the Environment Agency

## Schedule 1 – conditions to be deleted

None

## Schedule 2 – conditions to be amended

The following conditions are amended as a result of the application made by the operator

### Schedule 2 – Operations

| Table 2.1 Licensed activities                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
