Permit number
EPR/AP3298LY

Dunston Quarry

Permit number EPR/AP3298LY

Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

The variation comprises an extension of the permit boundary to cover a larger area of the site in which the activities are carried out.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit		
Description	Date	Comments
Application received	Duly made 17/04/08	Application received for standard rules permit SR2008No11_75kte - inert and excavation waste transfer station with treatment.
