Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

The following variation notice is at the request of the Environment Officer to update existing environmental permit EAWML 71026 to modern conditions referred to in the status log below.

The current permit TP3698NS (EAWML 71026) authorises the keeping and treatment of scrap metal and end-of-life vehicles.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
