

Notice of variation with introductory note

The Environmental Permitting (England & Wales) Regulations 2010

Native Marine Centre Limited

Fish collection and holding facility serving
Native Marine Centre Limited
Portland Port
Castletown
Portland
Dorset
DT5 1PP

Variation application number
EPR/WP3928XN/V002

Permit number
EPR/WP3928XN

**Fish collection and holding facility serving
Native Marine Centre Limited
Permit number EPR/WP3928XN**

Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

Permit EPR/WP3928XN has been varied upon request from the operator to reduce the discharge volume from 180m³ to 45m³ per day. Also, the operator's address for Native Marine Centre Limited has been updated as per the registered office address on Companies House.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit		
Description	Date	Comments
Application EPR/WP3928XN/A001	08/08/2012	Application for discharge of trade effluent.
Additional information received	27/07/2012	Email clarifying effluent quality discharge calculations for NMC including: - system description; - calculations of effluent quality for the flow through system; and - calculation of effluent quality for the semi-closed system.
Additional information received	03/08/2012	Email containing revised 'Protocol for discharging water / effluent, containing chemicals used for treatments' and treatments for disease.
Permit determined EPR/WP3928XN/A001	01/11/2012	Permit issued to Native Marine Centre Limited.
Variation determined EPR/WP3928XN/V002	16/10/2013	Variation determined to reduce discharge volume upon request of operator (registered office address also updated as per Companies House records).
