Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

The operator has applied to vary their permit to extend the permitted area, to remove three waste codes (02 04 01, 19 08 02 and 19 12 12) from the permit and to increase the total quantity of waste accepted at the site. The Waste Recovery Plan (WRP) has also been amended by the operator to reflect these changes.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
