Contact Name (if applicable):  
Registered as Joint Consent Holder: No  
Number of discharges: 1

The Environment Agency ("the Agency") hereby confirm that the above named person is a/the registered holder of consent **016993385** from **20th October 2000** Consent Alias (if applicable):  
Sample Point Grid Reference: **SD93450680**

Nature of Discharge(s): **EMERGENCY/CRUDE SEWAGE**  
at **MEEK STREET P.S., ROYTON, OLDHAM, OL2 6HL.**

PLEASE NOTE: For Consents with Multiple Discharges, see the attached Schedule.

Note: This certificate should be kept with the consent document for future reference. If you transfer responsibility for the discharge to somebody else you must pass the consent to them and tell the Agency within 21 days. **Responsibility for the consent cannot be disclaimed by the holder but the registration of holder may be transferred to a successor.** To do this please complete the form below, then tear it off and return it to the address shown. If you fail to transfer the consent, even though you are no longer on the site, you may still be liable for prosecution for pollution. If you transfer the consent but do not tell us, you will be committing an offence. In case of any queries please contact your local Environment Agency office.

**Part B Please complete in block capitals or type.**

# CONSENT TO DISCHARGE

Water Resources Act 1991  
Section 88 - Schedule 10  
(as amended by the Environment Act 1995)

**ENVIRONMENT  
AGENCY**

**TO: Oldham Metropolitan Borough Council  
Henshaw House  
Cheapside  
Oldham  
OL1 1NY**

The **ENVIRONMENT AGENCY** ("The Agency") in pursuance of its powers under the Water Resources Act 1991 hereby **CONSENTS** to the making of a discharge as follows:

**Sewage and Trade Effluent in an Emergency**

**FROM: Meek Street Pumping Station**

**AT: Royton, Oldham, OL2 6HL**

**TO: River Beal**

**SUBJECT TO:** the conditions set out in the following Schedule :

**Sewage and Trade Effluent in an Emergency 016993385-01**

Subject to the provisions of Paragraphs 7 and 8 of Schedule 10 of the Water Resources Act 1991 (as amended by the Environment Act 1995), no notice shall be served by the Environment Agency altering this Consent without the agreement in writing of the consent holder during a period of 4 years from the date this Consent takes effect or such later date as may be specified in an endorsement to this document.

Dated this 20<sup>th</sup> day of October 2000.

Signed.....*M Harris*.....

**M Harris  
Team Leader Water Quality Consenting and Planning**

<b>CONSENT NO.</b>	<b>016993385</b>
<b>SCHEDULE NO.</b>	<b>016993385-01</b>
<b>DATE ISSUED</b>	<b>20<sup>th</sup> October 2000</b>

## **CONDITIONS OF CONSENT TO DISCHARGE**

**Sewage and Trade Effluent in an Emergency ("the discharge")**

**FROM: Meek Street Pumping Station, Royton, Oldham, OL2 6HL**

### **1. GENERAL**

#### **1.1 Nature of Discharge**

The discharge shall consist solely of sewage and trade effluent in an emergency. The trade effluent shall comprise solely of vehicle wash water and/or site drainage. The site drainage shall arise from an area no greater than 200 square metres.

The discharge shall only occur when the pumping station is inoperative as a result of one or more of the following:

- (a) electrical power failure not due to the act or default of the Consent Holder, its agents, representatives, officers, employees or servants;
- (b) mechanical breakdown of duty and standby pumps;
- (c) rising main failure;
- (d) blockage of the downstream sewer not due to the act or default of the Consent Holder, its agents, representatives, officers, employees or servants;

and it is not reasonably practicable to dispose of the sewage and trade effluent otherwise. There shall be no undue delay on the part of the Consent Holder in remedying any such failure or breakdown.

#### **1.2 Place of Discharge**

The discharge shall be made in the manner and at the place specified as:

- (a) discharging to the River Beal
- (b) at National Grid Reference **SD 9345 0680**

<b>CONSENT NO.</b>	<b>016993385</b>
<b>SCHEDULE NO.</b>	<b>016993385-01</b>
<b>DATE ISSUED</b>	<b>20<sup>th</sup> October 2000</b>

### **CONDITIONS OF CONSENT TO DISCHARGE**

**Sewage and Trade Effluent in an Emergency ("the discharge")**

**FROM: Meek Street Pumping Station, Royton, Oldham, OL2 6HL**

#### **1.3 Sampling Point Requirements**

A sample point shall be provided and maintained at National Grid Reference **SD 9345 0680** so that a representative sample of the discharge may be obtained. The Consent Holder shall ensure that all constituents of the discharge pass through the said sampling point at all times and in any legal proceedings it shall, for the purposes of Section 10 of the Rivers (Prevention of Pollution) Act 1961, be presumed, until the contrary is shown that any sample of the discharge taken at the said sampling point is a sample of what was discharging into controlled waters.

#### **1.4 Recording and Reporting**

- (a) The Consent Holder shall establish and operate a documented maintenance programme and record all non-routine actions undertaken. Copies of the programme shall be made available for inspection by the Agency's officers at all reasonable times.
- (b) On request the Consent Holder shall supply the Agency with a written report on the maintenance and all non-routine actions undertaken.

#### **1.5 Dangerous Substances**

The Consent Holder shall notify the Agency in writing if any known or planned introduction or material change in respect of discharges from trade premises to the sewerage system occurs, that may increase or introduce into the effluent any "dangerous substance" (set out in Annex 2 to this notice as updated from time to time and notified to the Consent Holder in writing), and any other substance considered by the Consent Holder as having or likely to have a significant effect on the receiving waters.

<b>CONSENT NO.</b>	<b>016993385</b>
<b>SCHEDULE NO.</b>	<b>016993385-01</b>
<b>DATE ISSUED</b>	<b>20<sup>th</sup> October 2000</b>

### **CONDITIONS OF CONSENT TO DISCHARGE**

**Sewage and Trade Effluent in an Emergency ("the discharge")**

**FROM: Meek Street Pumping Station, Royton, Oldham, OL2 6HL**

#### **2. TELEMETRY**

- (a) A 24 hour response telemetry alarm system shall be provided and maintained to give notification of failure or breakdown of the pumping station.
- (b) The Consent Holder shall take all reasonable remedial measures to return the pumping station to normal operation, as soon as practicable after receipt of warning of failure or breakdown of the pumping station.

#### **3. VEHICLE WASHES**

Following receipt of warning of failure or breakdown of the pumping station, no vehicle wash water shall be discharged to the pumping station.

#### **4. POWER**

Facilities shall be provided so that a mobile stand-by generator may readily be installed at the pumping station in the event of electrical failure and the Consent Holder shall install and operate such a generator as soon as practicable after an electrical failure.

#### **5. PUMPS**

The duty pump(s) shall be maintained in good working order, and at least one stand-by pump shall be provided and maintained.

The stand-by pump(s) shall automatically activate should the duty pump(s) become inoperative for reasons other than power failure. The pumping station shall be maintained so that the duty pump(s) shall automatically reactivate immediately after the power is restored after interruption to the supply.

<b>CONSENT NO.</b>	<b>016993385</b>
<b>SCHEDULE NO.</b>	<b>016993385-01</b>
<b>DATE ISSUED</b>	<b>20<sup>th</sup> October 2000</b>

### **CONDITIONS OF CONSENT TO DISCHARGE**

**Sewage and Trade Effluent in an Emergency ("the discharge")**

**FROM: Meek Street Pumping Station, Royton, Oldham, OL2 6HL**

#### **6. STORAGE**

Storage capacity, equivalent to a total of at least 24 hours of the dry weather flow in the sewer immediately upstream of the pumping station, shall be provided in the pumping station, and/or the upstream sewerage system, above the wet well design top water level.

#### **7. TANKERING/PUMPING AWAY**

A tanker access facility at an appropriate location shall be provided and maintained to enable removal of the sewage and trade effluent by tanker when necessary.

#### **8. CLEAN-UP**

Where the discharge results in unsatisfactory solid matter being visible in the receiving watercourse or on the banks of the receiving watercourse, in the vicinity of the outfall, the Consent Holder shall take all reasonable steps to collect and remove such matter as soon as reasonably practicable after the discharge has been reported.

CONSENT NO.	016993385
DATE ISSUED	20 <sup>th</sup> October 2000

## ANNEX 2

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
