Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

The operator has applied for an administrative variation to add two waste codes. The waste codes added by this variation are 20 03 03 – street cleaning residues, and 20 03 07 bulky wastes.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
