Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This notice varies the existing permitted area to incorporate parts of the operation which were formally omitted. The annual tonnage is also increased to 500,000. The site has the capacity to accept the increased tonnage and there are no changes to the activities on site. Anglian Water Services' registered address has been updated to include the correct postcode.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
