Dear Sir(s),

Water Resources Act 1991 - Schedule 10

Consent No S34/S/3/553 issued to New Cavendish Estate plc on 27 November 1986 included a discharge of surface water to a stream.

Under the above Act such discharges no longer require consent unless the Authority specifically decides to exercise control.

It has been decided in this instance that consent is not required and the Authority HEREBY REVOKES that part of the consent related to the surface water discharge. The consent to discharge treated sewage effluent is not affected.

I enclose a copy of the original consent, which has been renumbered S/14/10553/S, endorsed with the change.

If it is considered that this revocation is unreasonable there is a right of appeal to the Secretary of State for the Environment, Room A404, Romney House, 43 Marsham Street, London SW1 3PY. The appeal must be made within 3 months of the revocation.

Yours faithfully

FOR THE ATTENTION OF MR G WILLIAMS

Dear Sirs

RE: NORTHWICK PARK DEVELOPMENT, BLOCKLEY, GLOUCS

Control of Pollution Act 1974 - Section 34

Application No : CP/3/401

Consent No : S34/S/3/457

Further to receiving Severn Trent Water Authority's formal Consent (Details as above), we have reassessed the storm water drainage layout and formally request a revision to be made to the position of Discharge 2 'Surface Water'. (National Grid Reference SP 1699 3646)

Our proposed revised position for the storm water outlet is National Grid Reference SP 1703 3667. NGR confirm with Paul Hudson by KOH 28/11/86 @ 14.18 as SP 1704 3665

The storm water would be discharged into the existing stream at an outlet constructed in accordance with the 'Stream Outfall' detail shown on our drawing NCE2/03 Rev D Storm and Foul Water Drainage Layout (Copy enclosed)

The storm water drainage system would be laid completely independent of the foul water drainage system, to avoid any possible contamination problems.

We trust our request is acceptable to Severn Trent Water Authority and look forward to hearing from you in the very near future.

Yours faithfully
