Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation of an environmental permit.

This administrative variation is issued as a result of receiving notification that the operator's name and registered office address has changed. The operator's company registration number remains unchanged.

The status log of a permit sets out the permitting history, including any changes to the permit reference number. It is not backdated before 6 April 2010.
