

CTCU 1059

THAMES WATER AUTHORITY

RP63 / 732

WATER RESOURCES ACT 1963

WATER ACT 1973

CONSENT

to discharge trade or sewage effluent or any other poisonous, noxious or polluting matter by means of a well, borehole or pipe into underground strata.

TO:— G F Pinder Esq
"Arcturus"
Flowers Bottom Lane
Speen
Aylesbury
Buckinghamshire

The THAMES WATER AUTHORITY ("the Authority") pursuant to Section 72 of the Water Resources Act 1963, HEREBY GRANT CONSENT to the making of a new discharge of sewage effluent from "Arcturus", Flowers Bottom Lane, Speen, Aylesbury, Buckinghamshire by means of a borehole at National Grid Reference SU 839 997

into underground strata in accordance with your application dated 7 May 1981
as amended on 8 June 1981
and the plan and particulars accompanying the same SUBJECT to the following conditions:—

1. The quantity of sewage effluent discharged shall not exceed 1 m^3 per day.
2. Facilities for the taking of samples of the effluent by the Authority's Officers shall be provided and maintained in the position indicated on and in accordance with the application and plan submitted by the applicant.
3. The discharge shall be made into the chalk strata.
4. The diameter of the borehole shall not exceed 150 mm.
5. The borehole shall not penetrate more than 3 m into the chalk strata.
6. Upon a public foul sewer becoming available the effluent shall be connected thereto as soon as possible and the use of the borehole shall be discontinued.
7. The effluent discharged shall not contain more than 2 milligrammes per litre of oil or grease of mineral origin.

Continued on reverse.

Your attention is directed to the notes printed below.

DATED this 2nd day of July 1981

B. J. HARDCASTLE

.....

*Duly authorised to sign on behalf of
Thames Water Authority.*

**Nugent House,
Vastern Road,
Reading, Berks. RG1 8DB**

NOTES

1. This consent does not exempt the applicant from obtaining any consent required by, or from complying with, any other statutory provisions, statutory instruments or byelaws.

2. There must be no departure from the approved application, particulars or plans without the written permission of the Authority.

3. If the applicant is aggrieved by the Authority's decision in respect of this consent, he may appeal against it to the Secretary of State for the Environment by notice in writing which must be served on the Secretary of State within 28 days from the date on which the applicant was notified by the Authority of their decision, or within such longer period as the Secretary of State may at any time allow.

4. The Authority may at any time by notice in writing to the person to whom this consent is granted revoke or vary the consent, either on the application of that person or without any such application.
