S37 NOTES

Appeals

If a licence holder is aggrieved by the decision of the Agency in modifying conditions specified in a Waste Management Licence he may appeal to the Secretary of State in accordance with Section 43 of the Environmental Protection Act 1990. Appeals must be notified within 6 months of the date of this notice to The Planning Inspectorate, Room 12/03D, Tolgate House, Houlton Street, Bristol, BS DJ.

The Secretary of State has power to allow a longer period for the giving of notice of an appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of an appeal.

Where a notice giving the Agency's decision to modify a Waste Management Licence includes a statement that for the purpose of preventing pollution of the environment or harm to human health Section 43[4] of the Environmental Protection Act 1990 should not apply to the decision, the notification of an appeal against the decision will not of itself render the decision ineffective pending determination of the appeal.

If you consider that such a statement has been unreasonably included in the notice of decision you may apply, under Section 43(7) of the Environmental Protection Act 1990 to the Secretary of State to determine whether the Agency's action was unreasonable or not, (the address to write to is as given above). If the Secretary of State determines that the Agency acted unreasonably in including such a statement, the Agency's decision will become ineffective while an appeal is pending and you will be entitled to recover compensation from the Agency in respect of any loss you have suffered in consequence of the statement. Any dispute as to your entitlement to compensation or its amount shall be determined by arbitration.
